PRAYING FOR THE WORLD – CHRISTIAN AID WEEK This year highlights the threat of climate change on tea producers in Kenya. Here is part of their [Tea-time Prayer:](#)
*God of all of life,
 waiting for the water to boil
 we confess and lament
 the rise of temperature
 that has led to a climate crisis
 across this beautiful planet.
 We wait, impatient for change.*

*Pouring out hot water
 on loose-leaf or tea bag,
 into teapot or favourite mug,
 we pour out our intercessions
 for a change of heart by politicians
 to put planet and people first.
 Amen.*
